

## **Local 40-543 Schedules Instrumental Showcase for October 23, 2017**

The Musicians' Association of Metropolitan Baltimore, Local 40-543 AFM, announces its next Instrumental Showcase:

Monday, October 23, 2017

Joseph Meyerhoff Symphony Hall – Recital Hall

1212 Cathedral Street, Baltimore, MD

Starting at 6:00 p.m.

Contractors from the Baltimore-Washington area have been invited to attend.

Participants should use their own music and be prepared to play one minute of a solo and two orchestral excerpts of their choosing. If you are a doubler, please plan on playing an excerpt on your other instrument, as well. And bring twelve copies of your resume to be distributed to the contractors.

Members of Local 40-543 may participate in this Showcase free of charge.

Musicians who are not members in good standing with Local 40-543 must pay a \$20.00 registration fee. The money must be received by Local 40-543 by 4:00 p.m. on October 17, 2017, to reserve a time. If you decide to join the Local by March 31, 2018, after participating in this Showcase, your registration fee will be applied towards your membership fee.

If you are an instrumental musician and wish to participate, please contact this Local via telephone (410-337-7277) or e-mail ([office@musiciansunion.org](mailto:office@musiciansunion.org)) to schedule your audition time and make arrangements for payment of fee if required.

If you are a contractor and wish to attend, please contact this Local via telephone (410-337-7277) or e-mail ([office@musiciansunion.org](mailto:office@musiciansunion.org)) to let us know to expect you.

Local 40-543 holds its Instrumental Showcase as a service to its members and other local musicians to give participants a chance to audition for local contractors. There is no guarantee of work as a result of participation. Contractors will contact participants directly if they decide to make an offer of work.
