**7:00 pm**

### **Enjoy the Sounds of the Season and Make a Difference for Community Children with the *Ken Ebo Jazz Orchestra* TOYS for TOTS HOLIDAY CONCERT**

With the holidays rapidly approaching, and all the hustle and bustle of giving and receiving gifts, we all must look for ways to pass along the joy and hope of the season to those less fortunate. Reminisce about your childhood holiday memories; making a wish list and anticipating the arrival of your gifts, the warmth of family being together over a festive meal, and the excitement of opening presents to reveal new toys.

Not all children are so blessed, but the **TOYS for TOTS CONCERT** featuring the *Ken Ebo Jazz Orchestra* is a wonderful way to make a difference. That evening, thirty of the Baltimore area's most talented jazz musicians will take the stage and share their gift of music.

Celebrating 12 years of community service, the *Ken Ebo Jazz Orchestra* **TOYS for TOTS CONCERT** charges no admission and only asks attendees to donate a new, unwrapped toy and enjoy jazz renditions of the holiday tunes we have all come to know and love.

A Marine honor guard will participate along with a special representative from **TOYS for TOTS**.

The Marine **TOYS for TOTS** mission is to collect new, unwrapped toys during the fall months and distribute those donations as Christmas gifts to needy children in the community. The goal of this mission is to deliver a message of hope to needy youngsters that will motivate them to grow into responsible, productive, patriotic citizens and community leaders.

We welcome all to join in our holiday celebration and help bring the joy of the season to children all throughout our community. Toy collection boxes will be stationed at the concert for donations.

So, mark **Sunday, December 13th, 2015 @ 7:00 p.m.** on your calendars and embrace the spirit of giving. Enjoy the sounds of the season and make a difference for community children with the 12<sup>th</sup> season of the *Ken Ebo Jazz Orchestra* **TOYS for TOTS CONCERT**.
